## STREETS OF BLACKSTONE CONVERTED INTO STREAMS

Stores are Flooded, Buildings Unroofed  
and \$15,000 Damage Done  
by Storm.

[Special to The Times-Dispatch.]  
BLACKSTONE, VA., June 14.—

Streams of water two feet deep turned  
the streets in the business section of  
Blackstone into rivers. Flooding many  
stores and causing damage that will  
reach well into the thousands as the  
result of a terrific storm which struck  
here late this afternoon. The roofs of  
several buildings were torn off by a  
whirlwind that accompanied the near  
cloudburst. Vehicles left standing in  
the street were blown over and a  
number of plate glass windows in the  
largest stores were smashed to pieces.

The storm center seemed to strike  
the heart of the business district, as  
very slight damages were reported in  
the residential section. The storm  
lasted only a few minutes. It began  
raining here about 5 o'clock. Ten min-  
utes later it reached its height. Cul-  
verts were flooded by the downpour  
and streams filled the streets. In a  
few minutes water reached above the  
level of the first floors of several Main  
Street stores. Six inches of water  
stood in many. The downpour was  
blinding and pedestrians sought shel-  
ter in stores. Limbs were crashing  
through several of their windows.

At least twenty firms suffered seri-  
ous losses. The post office on Main  
Street was one of the buildings flooded.  
The water subsided almost as quickly  
as it rose, and the streets were to-night  
being cleared of the debris. The storm  
loss is estimated at \$15,000.

Heavy Storm at Orange.

[Special to The Times-Dispatch.]  
ORANGE, VA., June 14.—Orange and  
vicinity was visited to-night by one of  
the most destructive electrical storms  
of years. The lightning, which was  
incessant for over an hour, struck a  
number of points in the town and vicin-  
ity. The post office in Orange was  
blinded and the southeast corner of the  
building carried away. At Somerset, a  
fine barn on the Shilford estate, lately  
purchased by C. H. Vaughn, was struck  
and burned to the ground. The value  
of the barn and contents is estimated  
at \$10,000, with about \$4,000 insurance.

GUilty OF ROBBERY

John O'Neill and J. J. Burns Are Given  
Eight Years Each.

Convicted of robbery, John O'Neill and  
J. J. Burns, alias W. E. Dawson, were  
sentenced by Judge Richardson in the  
Hustings Court, yesterday, to serve  
eight years each in the Penitentiary.  
The men were indicted for holding up  
Emory Connor on the night of Febru-  
ary 25, and robbing him of \$3. At-  
torney H. M. Smith, Jr., counsel for the  
defense, moved that the verdict be set  
aside as contrary to the law and evi-  
dence, and the motion was continued  
for argument on June 30.

Circuit Court Judgment.

Judgment for \$420 was entered in  
the City Circuit Court, yesterday, in  
favor of the T. E. Elmore Corpora-  
tion against Sarah E. Elmore.

## BUSINESS MEN'S CLUB ELECTS DIRECTORS

Bryan, McAdams, Fairbank, Dula and  
Holladay Named on Board; Presi-  
dent's Report to Be Made.

At the annual meeting of the Busi-  
ness Men's Club yesterday afternoon  
five directors were elected for terms  
of three years each. President Alvin  
M. Smith presided over the meeting,  
which was held in the clubrooms on  
the tenth floor of the American Na-  
tional Bank Building and attended by  
a larger number of members than any  
session in recent months.

The directors named were: Thomas  
P. Bryan, Thomas L. McAdams, Gray-  
son L. Fairbank, Grover C. Dula and  
Walter Holladay.

The annual report of President Smith  
was not read at the meeting, but will  
be completed later and mailed to each  
member. It shows that the club is in  
a prosperous condition; that the mem-  
bership is now 800; that dining ser-  
vice is being more liberally patron-  
ized than previously, and that the in-  
dications for the future are bright.

The board of directors will hold a  
meeting later this week to organize for  
the current year. A president, two vice-  
presidents, secretary and treasurer and  
steward will be elected.

RECOMMENDS BRADBURY

Will Probably Succeed Dr. Magruder as  
Pure Food Expert.

"It is very probable that I shall ac-  
cept the position offered me by the E.  
S. Royster Guano Company," of Nor-  
folk," said Dr. E. W. Magruder, chief  
chemist and pure food expert of the  
State Department of Agriculture, yester-  
day. "The offer is very flattering. The  
position is much better than the one  
I hold."

Dr. Magruder added that he had not  
definitely signed his acceptance. Asked  
if he would recommend his suc-  
cessor, Dr. Magruder said: "I suppose  
I should leave that matter in the hands  
of the commissioner. In this connec-  
tion, however, one naturally thinks of  
Dr. C. M. Bradbury, who has been my  
chief assistant for many years. He  
knows every detail of the work. A bet-  
ter man could hardly be selected."

Dr. Bradbury has been in the de-  
partment since 1902. He is a native of  
Petersburg. His record in the office has  
won for him the unqualified indorse-  
ment of Dr. Magruder. The latter may  
formally announce to-day his intention  
to resign from the service of the State  
and accept the position in Norfolk.

RHEUMA

The Standard Remedy for All  
Forms of Rheumatism and  
Kidney Troubles.

Are you suffering from some form  
of rheumatism? Then you need a rem-  
edy for that disease only—not a prepa-  
ration said to cure all the ills of the  
human body. Rubbing in liniments  
will only quiet the pain temporarily,  
but will not remove the cause.

Rheumatism cleanses the kidneys of the  
poisonous uric acid secretions, opens  
the clogged veins so that the healthy  
blood can pass along the dead matter  
from the entire system; regulates dis-  
ordered bowels, and enables a sluggish  
liver to convert thin, impure blood into  
rich, life-giving corpuscles. When  
this is accomplished there is no more  
rheumatism, for the source of the dis-  
ease will be wiped out.

Rheumatism is free from dangerous  
drugs. During the treatment the dig-  
estive organs are not deranged—  
Rheuma creates a healthy appetite.  
Get a bottle from Trangle Drug Co. or  
any druggist. It is inexpensive. Your  
money returned if it fails.

## EMPLOYMENT BUREAU GETS MORE FAVORABLE QUARTERS

The Administrative Board acted fa-  
vorably yesterday on the request of the  
Public Employment Bureau that it be  
permitted to occupy the rooms in the  
basement of the City Hall that will be  
shortly vacated by the Juvenile Court,  
which has made arrangements to move  
to the city's building at 1112 Capitol  
Street.

The employment bureau is now occu-  
pying a room near the Police Court,  
which, because of the motley charac-  
ter of the crowds that traverse the halls to  
and from the court room, was regard-  
ed as more or less undesirable as a  
location for an office to which girls and  
women report in search of employment.  
No other room was available in the  
City Hall when the ordinance creating  
the bureau was passed.

In its new location the employment  
bureau will be removed from the Ju-  
venile Court by the whole width of the  
City Hall. The Juvenile Court cham-  
bers are located at the northwest cor-  
ner of the City Hall on the basement  
floor. The transfer, it is expected, will  
take place in a few days.

Judge West Designated.

Judge Jesse F. West, of the Third  
Judicial Circuit, was yesterday desig-  
nated by Governor Stuart to preside  
over a part of the June term of the  
Circuit Court of Clarke County for  
Judge Harrison, who is on business  
outside of the State.
